Product Description

Redneck Blinds Portable Hunting Chair (Black)

The Perfect Comfortable Chair to Carry In

Whether you are hunting in a box blind, ground blind, or in open field dove hunting, the Redneck Portable Hunting Chair is the ultimate hunting chair solution.

The seat swivels independently from the back, which keeps the chair from bumping others inside the blind as you rotate your position. The most common statement we hear from customers is, "This is the most comfortable, quiet, and functional hunting chair I have ever used."

The portable hunting chair is strong and durable and can support up to 350 lbs. The combination of quietness, comfort, and adjustability gives you the freedom to enjoy long hours in the field.

Portable Hunting Chair Features include:

- Black Cover or NEW Mossy Oak® Bottomland Pattern
- Designed specifically for hunting
- 180-degree silent swivel seat
- LQS Technology (light, quiet, and durable)
- Three independent height adjustable legs allow for un-level ground
- Self-leveling feet
- Collapses in seconds for carrying
- Black powder-coated steel frame
- High-density foam seat and backrest
- Heavy-duty nylon carry strap
- Removable, washable seat covers
- Height adjustable seat: 18 inches - 20 inches

- Seat Dimensions: 17"W x 14"D
 - Back Support Dimensions: 11" Wide x 10"H
