Product Description

Features

Compact Design -The folding handles and front hand grip make the YARD BOSS® compact and easy to transport and store.

Purge Pump Primer -A small fuel pump delivers fuel to the carburetor when pushed, reducing the number of starting strokes required following extended breaks in operation.

Protected Spark Plug -The spark plug terminal is protected yet easy to change.

Made in America -A majority of STIHL products sold in America are made in America of U.S. and global materials.

Multi-Function Control Handle -Having easy access to all of the controls on one comfortable handle makes it easy to complete tasks so the operator's hand never has to leave the handle.

Multi-Tasking Tool -Switch between any of the eight YARD BOSS® optional attachments quickly.

Efficient and Virtually Maintenance-Free Motor -The brushless motor is ideal for noise-sensitive environments with virtually zero maintenance required.

Retaining Latch -All STIHL battery-powered products feature a retaining latch that is designed to prevent the unit from unintentional starts when the battery is inserted.

Warnings and Safety

WARNING!Improper use of any power tool may cause serious or fatal injury. Read, understand, and follow carefully the operating and safety instructions in your instruction manual before using such products.

STIHL products sold through U.S. STIHL Dealers are for distribution in the United States only.
