Product Description

EGO POWER+ 12" Compact Chainsaw - CS1201

The EGO POWER+ 12" Compact Chain Saw packs the power of a 30cc gas chain saw into a compact, lightweight package without the noise, fuss, or fumes. Its high-efficiency brushless motor delivers chain speeds up to 20 m/s for quick, clean cuts. The compact chain saw weighs just 8.4 pounds with the included EGO 56V 2.5Ah ARC Lithium™ battery attached for reduced fatigue, making it ideal for light-duty brush removal, limb work, and more. This compact cordless chain saw delivers up to 130 cuts through 4x4 on a single charge with the included 2.5Ah battery. The cordless electric chain saw features a 12-inch bar and chain with tool-free tensioning and auto chain lubrication. IPX4-rated weather-resistance construction delivers added durability in inclement weather. Kit includes the 56V chain saw, 2.5Ah battery, and 210W charger. Experience Power Beyond Belief™ with the POWER+ 12" Compact Chain Saw.
