Product Description

EGO Power+ 880 CFM Cordless Blower (Bare Tool Only) - LB8803-2

The EGO POWER+ 880 CFM Cordless Blower is our most powerful handheld blower, delivering up to 880 CFM and air speeds up to 200 MPH. It features a digital display to monitor blower speed, battery charge status, and cruise lock in real time. Use the variable speed trigger to adjust your airflow from 270 CFM to 700 CFM for ultimate control. Activate turbo mode when you need to power through heavy debris including wet leaves, rocks, mud, and snow to unleash 880 CFM and up to 200 MPH with the tapered nozzle attached. This cordless leaf blower features a high-efficiency brushless motor that delivers long runtimes, low vibration, and an extended motor life. The turbine fan engineering, inspired by advanced aeronautics technology, performs better than premium gas leaf blowers. The lightweight carbon fiber body makes this cordless blower extra lightweight durable. The included tapered and spread nozzles make clearing debris in all conditions easy, and IPX4 weather-resistant construction delivers protection from the elements. The cordless electric blower delivers up to 90 minutes of average runtime with two included 4.0Ah ARC Lithium™ batteries. The kit includes the cordless blower, (2) 4.0Ah batteries, 320W charger, tapered nozzle, spread nozzle, and shoulder strap. Experience Power Beyond Belief™ with the EGO POWER+ 880 CFM Cordless Blower.

TECH SPECS

- Kit includes the cordless leaf blower, (2) 4.0Ah batteries, 320W charger, tapered nozzle, spread nozzle, and shoulder strap
- Up to 880 CFM and up to 200 MPH air speed for powerful clearing performance
- Digital display to monitor blower performance, battery charge status, and cruise lock in real time
- Up to 90 minutes of runtime with two included 4.0Ah ARC Lithium™ batteries
- Carbon fiber body is lightweight and durable
- Secondary grip zones for optional two-handed operation
- High-efficiency brushless motor delivers long runtimes, low vibration, and lifelong durability
- PX4-rated weather-resistant construction

- Includes tapered and spread nozzles
 - Compatible with all EGO 56V ARC Lithium™ batteries
 - 5-year limited tool warranty, 3-year limited battery warranty
-
