Product Description

EGO POWER+ Multi-Head Combo Kit - MHC1603

Take care of all your trimming and edging needs with the EGO POWER+ Multi-Head Combo Kit featuring the 16" Carbon Fiber String Trimmer Attachment with POWER LOAD™, Carbon Fiber Edger Attachment, 56V Power Head, 4.0Ah ARC Lithium™ battery, and 320W Charger. The Power Head is compatible with the full range of EGO POWER+ Multi-Head attachments to cut, trim, clear, and more. It features a quick-release adjustable handle for ultimate control and a durable carbon fiber shaft backed by a lifetime warranty. The Power Head's digital speed selector and indicator paired with a variable speed trigger and lock off delivers maximum control. Powered by EGO 56V ARC Lithium™ batteries, the Power Head will run up to 45 minutes on a single charge with the included 4.0Ah battery when using the 16" Carbon Fiber String Trimmer Attachment. The string trimmer attachment features a lightweight and durable carbon fiber shaft protected by a lifetime warranty. Its 16-inch cutting swath delivers convenient and efficient trimming, and POWERLOAD™ technology automatically winds your trimmer line with the push of a button. The 8-inch edger attachment features a lightweight and durable carbon fiber shaft protected by a lifetime warranty. The edger's guide wheel features a depth adjustment knob for quick and easy adjustments to customize your edge to a depth of 3 inches. Rugged construction keeps your tool safe under more conditions with IPX4-rated weather-resistance. The edger attachment will run up to 75 minutes on a single charge on the low setting when used with the included 4.0Ah battery. EGO attachments are designed specifically for your EGO POWER+ Power Head and offer the highest quality and performance. Experience Power Beyond Belief™ without the noise, fuss, or fumes.
