Product Description

EGO POWER+ 10" Carbon Fiber Telescopic Pole Saw - PS1001

The EGO POWER+ 10" Pole Saw introduces an industry-first LED Cut Line Indicator for improved visibility and better accuracy when working under dark, shaded canopies and low light conditions. Its telescopic carbon fiber shaft extends for a total reach up to 10 feet (or 17 feet with (2) EP1000 extension pole, sold separately) while maintaining best-in-class weight up to 30 percent lighter than other pole saws for tree trimming. Tool-free tensioning provides fast, precise chain tensioning so you can get back to work faster. This cordless pole saw makes up to 100 cuts on a single charge with the included 56V 2.5Ah ARC Lithium™ battery. The electric pole saw features a high efficiency brushless motor that delivers long runtimes, low vibrations, and an extended motor life. Its 10-inch bar and 1/4-inch chain delivers smooth, precise cuts with chain speeds up to 20 m/s. The pole saw features a quick-adjust handle for ultimate control along with a shoulder strap and strap hook for added comfort.
