CUT-OFF SAW CSG-7410

[Read More](#)

SKU: CSG-7410-14

Categories: [Echo Outdoor Power Equipment](#)

Product Description

Easy cuts for hardscape pros. The best-in-class CSG-7410 concrete saw features a high drive ratio for improved cutting through thick masonry blocks and dense concrete. Its durable, user-friendly design includes a four-stage air filtration system and a quick-release hose adapter.

TOP FEATURES

- Class-leading high-torque drive system
- Patented 4-stage air cleaner provides the engine with clean air for long life
- Easy starting system includes reduced effort starter and decompression valve

Features may include:

- **73.5 cc professional-grade, 2-stroke engine**
For outstanding performance and durability
 - **Reversible cutting head**
Can be moved to enable cutting near a wall or close to the ground
 - **Four-stage air filtration system**
Protects engine from harmful dust ingestion
 - **Decompression valve**
For easier starter pulling effort
 - **Brass water valve**
Controls flow of water
 - **Momentary stop switch**
Automatically returns to "on" position
 - **Purge bulb**
Provides fresh fuel to carburetor
 - **Abrasive wheel included**
For general cutting. Diamond wheel sold separately
 - **Side-access belt tensioner**
For easy belt adjustment
-
