Product Description

Echo SRM-410X String Trimmer

The most powerful model from the brand synonymous with professional-grade power. The ECHO SRM-410X straight-shaft string trimmer levels tough, overgrown weeds and grass with power to spare. And with an impressive power-to-weight ratio, it's a nimble beast.

- Solid steel drive shaft for smooth acceleration and lightweight
 - Pleated paper air filter for use in harsh conditions
 - Heavy-duty 42.7 cc professional-grade, 2-stroke engine
-
