Product Description

EGO POWER+ 18" Chain Saw - CS1815

The EGO POWER+ 18" Chainsaw delivers the power and performance of a 50cc gas chainsaw without the noise, mess, or fumes. Powered by any EGO POWER+ 56V ARC Lithium™ battery, this cordless electric chainsaw delivers up to 330 cuts on a 4x4 when used with the included 6.0Ah ARC Lithium™ battery. It features an 18-inch bar and chain, and its 2500W high-efficiency brushless motor delivers chain speeds up to 22 m/s for fast, powerful cuts. An industry-leading LED display allows you to control speed modes and check battery charge status. The adjustable LED work light on the front of this EGO chainsaw illuminates your cut when working at dusk or in power outages when you're without access to lights. The tool-free chain tensioning system on this battery chainsaw tightens your chain with the twist of a dial—no need to take anything apart to get your chain set properly. Its aggressive 18-inch bar and chain is designed for taking down large branches, stumps, and tall trees, while large metal bucking spikes ensure stability and leverage for smooth, controlled cuts. Experience Power Beyond Belief™ without the noise, fuss, or fumes.
