Product Description

EGO POWER+ Nexus Escape 400W Inverter - PAD5003

The EGO POWER+ Nexus Escape 400W Inverter with Pure Sine Wave delivers high quality, clean power to sensitive electronics. The power inverter provides 400 watts of continuous power and 800-watt peak power for devices requiring additional ramp-up power. It can power up to three USB-compatible devices simultaneously via one USB-C port, one USB-C PD port, and one USB-A port. It delivers up to 100 watts of power with the USB-C PD port for the ability to power larger devices like laptops or charge your EGO 56V ARC Lithium™ batteries (available separately). Pass-through charging feature allows an EGO 56V ARC Lithium™ battery to charge via the 100W USB-C PD port while simultaneously powering devices through additional available ports. The Nexus Escape 400W Inverter also features a 120V power outlet to power household items via standard 120V cords while built-in LED lights provide ambient lighting during a power outage. With the EGO POWER+ Nexus Escape 400W Inverter, you'll have portable power when you want it, power when you need it.

- 400W continuous power with 800W peak power for devices needing additional ramp-up power
