Product Description

Toro Dingo® TX 1000 TURBO Track Loader Narrow - 22587

The Dingo TX 1000 TURBO is a turbocharged marvel that not only enhances the unmatched success and superior performance of its predecessor but also incorporates the innovative Smart Power® feature. This feature optimizes engine, auxiliary, and traction torque, providing users with an unparalleled compact utility loader experience. With a width of under 35 inches, the Dingo TX 1000 TURBO narrow track effortlessly navigates through standard 36-inch gates, ensuring versatility and accessibility across a range of job sites.
